WACV 2022 - xAI4BIOMETRICS WORKSHOP
JANUARY 04, 2022 | WAIKOLOA HI, USA

The WACV 2022 Workshop on Explainable & Interpretable Artificial Intelligence for Biometrics, xAI4Biometrics workshop, intends to promote research on Explainable & Interpretable-AI to facilitate the implementation of AI/ML in the biometrics domain, and specifically to help facilitate transparency and trust.

The xAI4Biometrics Workshop 2022 is organized by INESC TEC, Porto, Portugal.
For more information about the workshop, visit http://vcmi.inesctec.pt/xai4biom_wacv2022/

For sponsors, **this event is an extraordinary opportunity** for:

- recruiting, branding, and communicating with the most reputed academics as well as promising young researchers on the biometrics field;
- promotion as a sponsor before, during and after the event in all the xAI4Biometrics workshop social networks announcements.

Sponsorship funds are always critical in ensuring the success of scientific events such as this. The organisation greatly appreciates your support and will do its best to ensure that your sponsorship meets the needs of your company. Thus, **we invite general sponsors to support us** as with:
